

Travel to Germany from a “Risk Area“ & Arrival in Germany

Travel to Germany from a “Risk Area“ (General information)

1 If you have been in a risk area for 14 days before your arrival in Germany, you will have to stay in quarantine for **two weeks** after your arrival in Germany.

2 After your arrival in Bielefeld, go to your accommodation immediately.

In your quarantine you can do a corona test after the **fifth day** at the earliest.

If your corona test result is negative, you may leave the quarantine after consulting the Health Office of Bielefeld.

International Office
Your way abroad!

3 Inform the International Office about your travel plans.

Carry the document “Confirmation of necessity to study in Germany“ with you.

4 Current Risk areas e.g. Albania, Turkey, US, Czech Republic but there are over 100 others.

Check here:
www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete_neu.html

Arrival in Germany

1 Once you arrive in Bielefeld, isolate yourself for the next **five days**.

If possible do not use public transportation such as bus and train, otherwise you may have to pay high penalties.

2 Let the City of Bielefeld officially know about your arrival by filling in this online form:
tinyurl.com/y6cbybgn

(Contact the International Office for the English translation)

3 Discuss with your buddy via WhatsApp what food you need for the first week after your arrival. He/she will go shopping for you. Please remember to pay them back what you owe 😊

4 When in your accommodation, confine yourself to quarantine until you can take a test. Provided your test is negative, you can then contact the Health Office of Bielefeld under info.corona@bielefeld.de

Send them your negative test result. They usually answer within 1-3 days.

Only when they have replied to you, you can break quarantine.

YOUR BUDDY WILL HELP YOU IN THE FIRST DAYS OF QUARANTINE (Go food shopping for you).

Further information about the coronavirus can be found here:
