

Current Covid-19 Regulations in Public Spaces in Germany

 **3G-rule:** You can access everything when **vaccinated**  or **recovered**. Carry proof with you!

If **not**, you need a **test**  not older than **48 hours**

*Germany determines incidence in corona cases per 100.000 inhabitants
In this case: 35/100.000

 **No test** needed, even for the not vaccinated/ not recovered

FFP2 or surgical mask still mandatory

no matter what:

- indoors (shops, uni etc.)
- restaurants/cinemas/
- theatres (when not seated)
- public transport
- in waiting lines
